

## CHIMNEYS AND THE LAMPS THEY FIT

Beginning with "Little" chimneys and progressing to 4 ½" base Mammoth Chimney lamps, center draft lamps first, then Kosmos lamps, 20" NeoVulcan Matador, Sonnenbrenner and Student Lamp chimneys. Listing from Macbeth catalog #78.

An alternative to reading through the entire 4 pages below, use CTRL-F and search for the lamp name. A search for "Miller" for example with start with Miller No. 0 and clicking the down arrow will result in a jump to Miller No. 1, then #2, etc.
